ASX Announcement

7 December 2015

SINGIDA PROJECT, UPDATE

Tanga Resources Limited (**ASX : TRL**) wishes to update investors on exploration activities being carried out at the Singida Project, Tanzania (See Figure 1 below).

On the 4 December 2015 a Reverse Circulation (RC) drill rig arrived at the Singida Project and drilling has commenced for a twelve hole, 1200 - 1300 metre program at the Winston Prospect. The program is planned for completion within fourteen days.

Results will be reported as they become available.
