ASX Announcement

8 February 2016

CAPITAL RAISING – SUCCESSFUL PLACEMENT & PROPOSED ENTITLEMENTS ISSUE

Tanga Resources Limited is pleased to advise that it has received irrevocable commitments to subscribe for 40 million shares at 5 cents per share from a range of new, institutional and sophisticated investors to raise \$2,000,000 before expenses. Proceeds from the issue will be used to further exploration and development at the Singida Project with initial focus on the Winston Prospect, and for working capital purposes. Bell Potter Securities Limited acted as Lead Manager.

New shares subscribed for under the placement are expected to settle on 11 February 2016 and will be eligible for the entitlements issue described below.

Tanga Resources also plans to undertake a pro-rata, non-renounceable, 1 for 11 entitlements issue which aims to raise a further \$1,500,000. An Offer document, which will include an indicative schedule of key dates, will be lodged with the ASX within the next week once final details of the placement have been completed. An Appendix 3B is attached.

Tanga Resources Chairman John Jones said “we are pleased to have completed the placement which shows strong support from a range of new, institutional and sophisticated shareholders. We welcome them to our register and thank them for their support in these tough times for the industry. The placement, together with the proposed entitlements issue will provide the ability to significantly upgrade our work programs in Tanzania.”
